Jan Term at Westwind

Exploring the Interconnection of Self,
Community and Environment

**2018 Program Dates:
January 2-26**

**APPLICATION DEADLINE:
NOVEMBER 17TH, 2017**

College credit available for course participation

Join college students from the Pacific Northwest for a month long immersion into a wilderness-based community on the Oregon coast to explore the connection with stewardship and place through hands-on experiential learning.

Visit [Westwind.org/JanTerm](https://www.westwind.org/janterm) for more information and to register for 2018.

Westwind is a 529 acre camp, farm and wilderness area set in the middle of the Cascade Head UN Biosphere Reserve and is owned and operated by the Westwind Stewardship Group.
