

WESTWIND

2022 ANNUAL REPORT

A NOTE FROM OUR EXECUTIVE DIRECTOR

More than ever, Westwind's goals of sustainability, environmental stewardship, community building, and connection are needed by our communities. 2022 saw the Westwind Board of Stewards revise our Vision and Mission to emphasize the goal of bringing Westwind's lessons home. As Climate Change advances, caring for Westwind is caring for ourselves and our community.

OUTDOOR SCHOOL RETURNS

Outdoor School returned to Westwind in the fall of 2022 after a long, pandemic-induced hiatus. Westwind has partnered with the Multnomah Educational Service District to provide Outdoor School to sixth-grade students from the Portland Metro, Gresham, and Corbett areas.

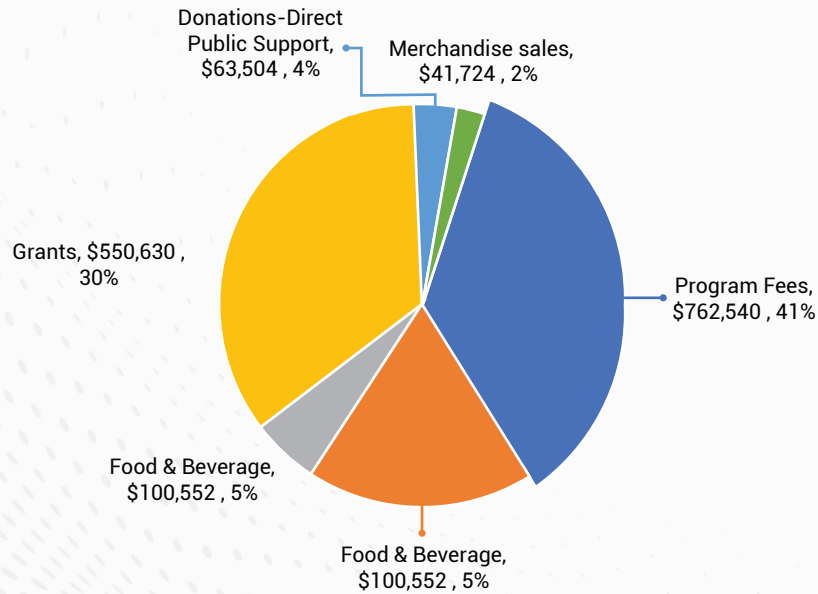

CAMPERSHIP PROGRAM GROWS

In 2022, 185 campers were supported through Westwind's Campership program, with many coming from partner organizations. Westwind continues to work with Community Partners from across the state of Oregon. In 2022, we welcomed campers and their families from Catholic Charities, Raphael House, Kairos, and the Family Preservation Project. These partnerships continue to help expand Westwind's impact and fulfill our mission.

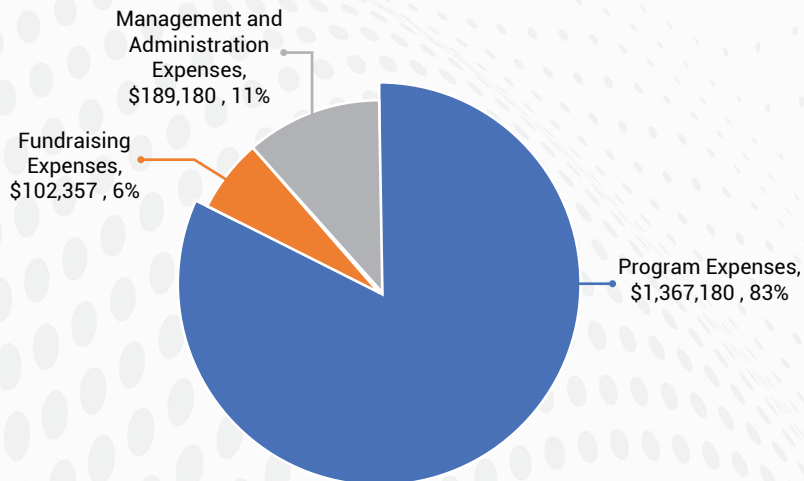

CABIN REMODELS CONTINUE

Three cabins were redesigned and renovated by Building Construction students from Sabin-Schellenberg Professional Technical Center in Milwaukie. Led by Westwind Alum Angie Wright, these cabins now boast larger beds, improved insulation, heaters, and outlets, as well as gorgeous design and wood paneling milled by the students themselves. In gratitude for her hard work and continued support, Westwind awarded the Uncle Bliss Volunteer of the Year award to Angie at the Stewardship Appreciation Luncheon on October 1, 2022.

Revenue \$1,854,459
