Please give a brief description of your event and any additional information you feel would be helpful for us to best understand your reservation needs:

Catering:

Catering is \$85 per person for our 6-meal bundle. This includes arrival day dinner; second-day breakfast, lunch, and dinner; departing day breakfast and a pack-out lunch; or \$75 per person for our 5-meal bundle (no pack-out lunch). Additional meals may be added. A minimum of 20 persons per meal is required. You have up to 2 weeks prior to the first day of your event to change the number of people/meals without fees. If you need to add additional people after the two-week deadline, the fee is an additional \$5 per person per meal. Groups are responsible for setting up the dining hall for meal time, cleaning up, and meal dishes (must be 18 years + to do dishes).

For McIver Rentals we offer a "take and bake" service at \$10 per person, this has a 10-person minimum and 30-person max.

For individual cabin rentals, you are responsible for providing your own food.

We encourage every group to use our catering service, due to the nature of transporting food, the use of our equipment, and the sustainability of our kitchen staff. From Thanksgiving - February, if the need for your group to use the Wilson Lodge Kitchen, there is a \$500 kitchen use fee.

Menus are discussed between the Guest Services Manager and Reservation holder. Sample menus or meal choices will be provided to the reservation holder and can be put together for your rental. A roster with everyone's name, age, dietary requirement, and reaction to the dietary restriction must be provided two weeks prior to the reservation.
