

WELCOME TO CAMP WESTWIND

2023 Mushroom Camp

**Your Guide to a Safe and Enjoyable
Experience at Westwind**

We are excited to welcome you to Westwind this fall!

As you likely know, Westwind is a special place. Situated within the larger Cascade Head Biosphere Reserve, Westwind's 529 acres contain each iconic landscape of the Oregon Coast: headland meadows, dense Sitka Spruce and Hemlock rainforest, a dynamic estuary, and the unparalleled beach and rocky coastline of the Pacific Ocean. The Westwind Stewardship Group is charged with protecting Westwind's ecosystems and facilitating educational and inspirational experiences for children, families, and private groups.

Our exclusive Mushroom Camp program is an opportunity to collect the hundreds of mushrooms that grow in Westwind's forests and learn about fungi from experts amidst a beautiful setting. Stroll more than a mile of unspoiled ocean beach. Observe the abundant wildlife of the Salmon River estuary. Play in the sand. Explore deep rainforest ecosystems. Meander through upland meadows. Study marine life in coastal tide pools. Discover hidden lakes and babbling streams. This and more await you during a stay at Westwind.

MUSHROOM CAMP SPECIFIC INFORMATION

Foraging Responsibly

- You are welcome to forage and take mushrooms home with you. We share this property with many others, even outside of Mushroom Camp, who also enjoy the bountiful supply of edible mushrooms. Please be mindful as to how many you collect for yourself and be sure to leave some for others.
- When foraging, respect the land by taking only what you need, practicing Leave No Trace, and causing minimal disruption to the forest and undergrowth.

Workshops/Lectures/ID and Free Time

- Workshops will be done in small group rotations.
- Lectures throughout the weekend will take place inside Wilson Lodge. These lectures are optional but highly recommended.
- ID and Free Time: during the day, there will be opportunities to gather around our mushroom findings and identify what we have found. The display tables will be at Wilson Lodge. This time can also be used to go on a hike, visit our tide pools or beach, or any other recreation opportunity around Westwind.
- A schedule will be available for you upon arrival.
