

Camp Westwind 2024 Camper Handbook

Your Guide to a Safe
and Enjoyable
Experience at Westwind

We are excited to welcome you to Westwind this summer!

As you know, Westwind is a special place. Situated within the larger Cascade Head Biosphere Reserve, Westwind's 529 acres contain each iconic landscape of the Oregon Coast: headland meadows, dense Sitka Spruce and Hemlock rainforest, a dynamic estuary, and the unparalleled beach and rocky coastline of the Pacific Ocean. The Westwind Stewardship Group is charged with protecting Westwind's ecosystems and facilitating educational and inspirational experiences for children, families and private groups.

Stroll more than a mile of unspoiled ocean beach. Observe the abundant wildlife of the Salmon River estuary. Play in the sand. Explore deep rainforest ecosystems. Meander through upland meadows. Study marine life in coastal tide pools. Discover hidden lakes and babbling streams. This and more await you during a stay at Westwind.

About Westwind

Westwind is a 529-acre camp, farm, and wilderness area set in the middle of the Cascade Head UN Biosphere Reserve in Oregon. Owned and operated by the Westwind Stewardship Group, Westwind is home to Camp Westwind, Outdoor School, workshops, events, and volunteer programs.

Our Vision

Westwind will always welcome people to these wild shores and green hills to discover that caring for the land is caring for ourselves and our communities.

Our Mission

The Westwind Stewardship Group inspires people to be stewards of the environment and their communities by conserving Westwind's diverse ecosystems in perpetuity and fostering life-changing experiences for children, families, individuals, and groups.

General Information

Health Guidance

If your child is sick or presenting with any symptoms, please keep them home. We are happy to assist in rescheduling or refunding your reservation. Please consider testing your camper for Covid-19 before attending camp.

If a camper presents symptoms while at camp, they will be asked to test for Covid-19. If the test is positive, campers will be expected to return home. If the test is negative, they may remain at camp and continue to test and/or mask as needed.

For more information about our health policies, refer to our website or email us at info@westwind.org.

Important Information About Your Camper's Health History Form

All health history information is captured in our online registration system. We DO NOT REQUIRE ANY PAPER FORMS. If you registered for camp in the past, you merely need to verify the information is still up-to-date. While it is possible to skip the form and complete it at another time, we still require completion prior to your camper's session. This form is very important and ensures your camper is set up for a successful camp experience. Our online system will remind you automatically if you have any incomplete forms. If your camper arrives to camp with an incomplete form, they will be unable to participate in activities until their health history information is complete.

Please note that all this information is held with confidence and is shared only with the on-site medical volunteer, the Camp Director, and camp counselor as needed.

Camp Payment

Camp Westwind offers flexible payment options. You may make payments in whatever fashion suits your budget be that weekly, monthly, quarterly, etc. We do need to have camp paid for prior to attending. If you are in need of any financial assistance – even just partial fees – campership applications are available online.

Transfers and Cancellations

We understand that plans change and you may have to cancel or transfer your reservation. If your camper is sick and cannot come to their session, we will provide a full refund, less the non-refundable deposit, with proof of a doctor's note or positive test. If Westwind has to cancel its programs, we will offer refunds or credit. Please review the complete policies at: <http://westwind.org/camps/general-information/>

Camp Store

We will have a limited selection of sweatshirts, t-shirts, and souvenirs such as hats, bandanas, sunglasses, etc. We recommend families pre-order on our website before coming to camp. To purchase items on site at our camp store, campers must have store money put in their account in advance. When you register for a summer session, you may include an amount that they are able to spend at the store. **Campers may not use cash during youth camps.**

To order from our online store, please visit: <http://otgpromoshop.com/westwind>

Emergency Contact

In the case of an emergency please call the camp office at **541.994.2383**. We are also available by email. Should there be any incident or major injury at camp, parents/guardians will be contacted. Please ensure all camper emergency contact information is up-to-date in your UltraCamp account.

Mail

Campers love to receive mail, but before you drop that note or package in the mailbox please understand it often takes 4-5 days to reach camp. If you would like to send mail we encourage you to give it to the staff person checking campers in at the bus or Knight Park and we will make sure it gets to your camper. If you choose this option, please mark envelopes with a piece of paper with which day you would like it delivered (if you have a preference). Mail will be delivered daily at lunch Monday through Thursday.

Please DO NOT send food of any kind to your camper – our furry critters can't keep their paws out of it and it will be confiscated until the end of the week. We also ask that you refrain from sending toys, small plastic items that may become microtrash, or glitter. These items are not aligned with the mission of the Westwind Stewardship Group and often lead to increased litter on our beautiful site. Mail containing these items will be withheld during the week and given to children on Friday

If mailing please include a return address.

There are biodegradable, castile, and other environmentally-friendly products available at most grocery stores.

Please DO NOT bring these items to camp:

- Electronics other than cameras (phones, tablets, music devices, etc.)
- Weapons
