

WESTWIND STEWARDSHIP GROUP

ANNUAL REPORT 2023

WESTWIND

EXECUTIVE DIRECTOR'S STATEMENT

2023 saw Westwind step out of the shadow of COVID-19 and once again be able to focus on our core work of conserving the site and providing life-changing experiences. As a result, Westwind has made impressive progress in fulfilling the goals set out by our 2022 Strategic Plan. This included our April Earth Day Open house highlighting Westwind's commitment to sustainability and conservation efforts and developing a Diversity, Equity, Belonging, and Inclusion plan to help guide DEI work into the next five years.

Other milestones include:

- Welcoming our new kitchen manager, Allison, who will help us reinvigorate our sustainable food service offerings.
- The first Friends of Westwind weekend was held in August of 2023 and brought together former campers and staff from many decades.
- Westwind summer program registration began using a lottery system to reduce access barriers.

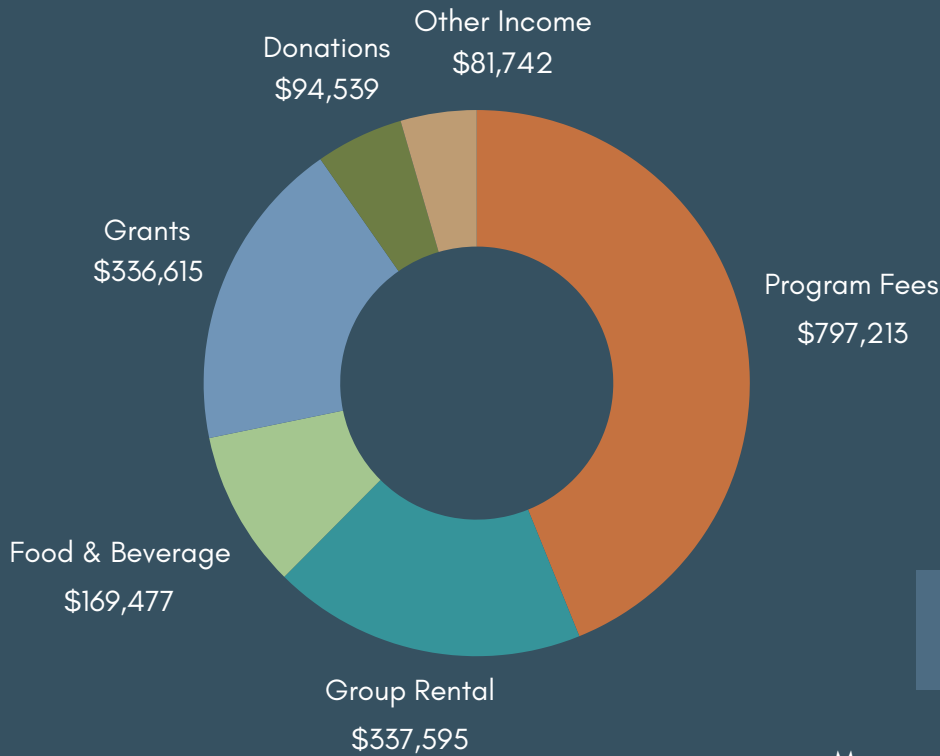

Finally, the WSG received funding from Oregon State Extension Outdoor School to begin a significant gender-inclusive remodel of the bathrooms beneath Wilson Lodge. This process began with "listening sessions" that invited members of the Westwind community to share their needs and wants for the new facility. The project is expected to be completed in time for summer 2024.

-Andy "Walrus" Lindberg
