ABOUT WESTWIND

Westwind is a nonprofit focused on environmental preservation and education. Situated on 529 acres along the central Oregon Coast in the Cascade Head Scenic Research Area, our mission is to inspire people to be stewards of the environment and their communities by conserving Westwind's diverse ecosystems in perpetuity and fostering life-changing experiences for children, families, individuals, and groups.

Each year, we welcome over 6,000 guests to our sandy shores and old-growth forests to learn that caring for the land is caring for ourselves and our communities.

ABOUT THE EVENT

Join us for our third annual Earth Day event! This year, we expect to host over 250 guests from both the Portland Metro area and throughout Lincoln County, along with a number of local environmental organizations.

Guests will enjoy guided hikes, presentations from aligned partner organizations, watersports, and more. Lunch will be provided by the Westwind kitchen.

Sponsor Benefits	Alder \$500	Hemlock \$2000	Sitka \$5000
