

Camp Westwind 2026 Spring Foraging Camp Handbook

Your Guide to a Safe
and Enjoyable
Experience at Westwind

About Westwind

Westwind is a 529-acre camp, farm, and wilderness area set in the middle of the Cascade Head UN Biosphere Reserve in Oregon. Owned and operated by the Westwind Stewardship Group, Westwind is home to Camp Westwind, Outdoor School, workshops, events, and volunteer programs.

Our Vision

Westwind will always welcome people to these wild shores and green hills to discover that caring for the land is caring for ourselves and our communities.

Our Mission

The Westwind Stewardship Group inspires people to be stewards of the environment and their communities by conserving Westwind's diverse ecosystems in perpetuity and fostering life-changing experiences for children, families, individuals, and groups.

General Information

Lodging

If you would like to share your cabin with a friend or family member who is also attending, you can request this in your reservation. We will do our best to accommodate all requests.

You will likely be paired with other individuals in a cabin.

If you or anyone in your party requires any special or additional lodging accommodations, please let us know in advance via email.

Important Information

Please remember to confirm that all important information is updated in our online registration system. This includes dietary request forms, cabin requests, and final payments. **It is very important that we are aware of any dietary restrictions or allergies.** Our online system will remind you automatically if you have any incomplete forms.

Camp Payment

Camp Westwind offers flexible payment options. Any outstanding balances must be paid prior to your camper attending camp. At registration, you will be able to pay in full or select a payment plan. Your individualized plan will divide your total fees by the number of months remaining until your session, creating a recurring monthly payment leading up to camp. If you are in need of any financial assistance - even just partial fees - financial aid (campership) applications are available online. Campership funds are limited and not guaranteed.

Transfers and Cancellations

We understand that plans change and you may have to cancel or transfer your reservation. If someone in your group is sick and cannot come to their session, we will provide a full refund, less the non-refundable deposit, with proof of a doctor's note or positive test. If Westwind has to cancel its programs, we will offer refunds or credit. Please review the complete policies in the **FAQ section** on our website

Foraging Camp Specific Information

Foraging Responsibly

- You are welcome to forage and take items home with you. We share this property with many others, even outside of Foraging Camp, who also enjoy the bountiful supplies this site has to offer. Please be mindful as to how much you collect for yourself and be sure to leave some for others.
- When foraging, respect the land by taking only what you need, practicing Leave No Trace, and causing minimal disruption to the forest and undergrowth.

Workshops/Lectures/ID and Free Time

- You will have the option to attend different workshops.
- Lectures throughout the weekend will take place inside Wilson Lodge. These lectures are optional but highly recommended.
- ID and Free Time: during the day, there will be opportunities to gather around our findings and identify what we have found. The display tables will be at Wilson Lodge. This time can also be used to go on a hike, visit our tide pools or beach or walk to our estuary.
- A schedule will be available for you upon arrival.
