# ABOUT WESTWIND

Westwind is a nonprofit focused on environmental preservation and education. Situated on 529 acres along the central Oregon Coast in the Cascade Head Scenic Research Area, our mission is to inspire people to be stewards of the environment and their communities by conserving Westwind's diverse ecosystems in perpetuity and fostering life-changing experiences for children, families, individuals, and groups.

Each year, we welcome over 6,000 guests to our sandy shores and old-growth forests to learn that caring for the land is caring for ourselves and our communities. Learn more at [www.westwind.org](http://www.westwind.org)

# 2026 AVAILABLE EVENTS

**Spring Foraging Camp**-This two-night, three-day camp is Westwind's newest adults-only program to celebrate the incredible biodiversity of Westwind's site. Participants select different forays, each focusing on an ecosystem and all that it has to offer. Forays and workshops are taught by guest instructors and experts.

**Earth Day 2026**- This year, we expect to host over 250 guests from both the Portland Metro area and throughout Lincoln County, along with many local environmental organizations.

Guests will enjoy guided hikes, presentations from aligned partner organizations, watersports, and more.

**Fall Mushroom Camp**- This two-night, three-day camp is an adventure in the incredible Mushroom Safari that is Westwind. This adults-only program is open to newbies and experienced foragers alike; there is something for everyone to discover at Mushroom Camp.
