WESTWIND

2025 Annual Report

Westwind Stewardship Group's impact and community efforts

The Westwind Stewardship Group inspires people to be stewards of the environment and their communities by conserving Westwind's diverse ecosystems in perpetuity and fostering life-changing experiences for children, families, individuals, and groups.

A Message from Our Executive Director

The above picture is of me and my son Elliott, singing together at Family Camp. We often sing Elliott to sleep with the Karla Bonnoff song “Home.” It has become a special song for us to share together at Westwind.

We came into 2025 with uncertainty. We ended 2024 at a loss. Changes in funding priorities at the federal level meant that our expected grant strategy was in question. We knew that we needed to rely more heavily on support from the individuals in the Westwind community. Fortunately, they came through.

With the support of our community, Westwind continues to feel like home to so many. Our continuing efforts to upgrade our facility mean that, hopefully, more people will feel welcome and make Westwind their home.

We continue to welcome people to these wild shores and green hills to discover that caring for the land is caring for ourselves and our communities

Andy Lindberg
Executive Director

Key Metrics Overview

By the Numbers

1,350+

Total Program Participants

47 rental groups and individuals

200+ volunteers

390 donors

48 summer staff (32 returning, 16 new)

9 year-round staff

10 kitchen staff

52 camperships offered through direct request

38 campers or families brought through campership partners

Programs and People

- Piloted two new teen programs: Teen Arts (24 participants) and Teen Stewards (4)
- Piloted a Foraging Camp program (10 participants)
- Earned ACA accreditation
- Brought 38 campers or families to Westwind through campership partners
- Hired former campership partner youth for the first time
- Increased mental health support for campers

Caring for the Land

Our Commitment to Sustainability

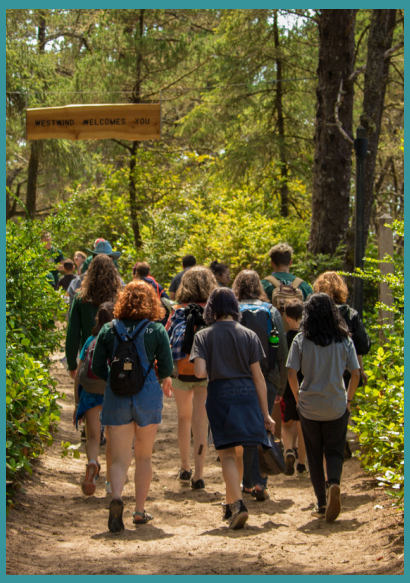

At Westwind, we believe in **responsible stewardship** of the land. In 2025, we began Phase 1 of the Cascade Head bathroom renovation, ensuring that our facilities reflect our commitment to sustainability and comfort. We also focused on cabin improvements, including insulation and new decks, to enhance the camping experience while minimizing our ecological footprint. Our efforts to plant coastal prairie at Fraser Farm are underway, supported by funding lasting through 2030, which is essential for preserving local biodiversity.

We undertook an invasive species survey and developed a comprehensive management plan to protect native ecosystems. Our partnership with Oakhill Organics allows us to source local produce, fostering community connections while supporting sustainable agriculture. We also updated our emergency plans and operations manuals to ensure the safety and well-being of our campers and staff. Notably, in July, we safely navigated a tsunami advisory, demonstrating our preparedness and commitment to safety in all situations.

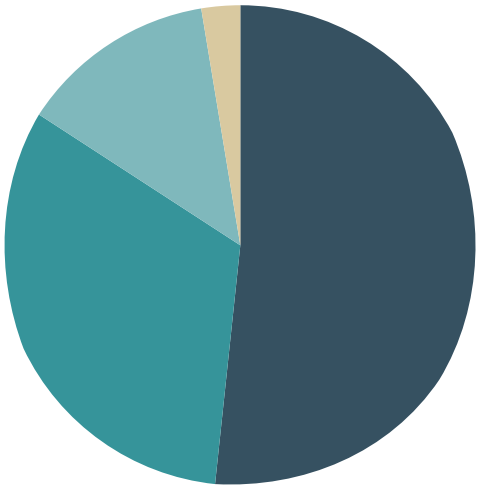

Financial Summary

Despite a year of funding uncertainty, Westwind finished 2025 with $1,873,789 in revenue, $1,773,758 in expenses, and a net surplus of $91,506.

Where our revenue came from

- Camp program fees $968,349 (52%)
- Rentals and food service $608,792 (32%)
- Grants and donations $247,804 (13%)
- Merchandise sales $48,844 (3%)

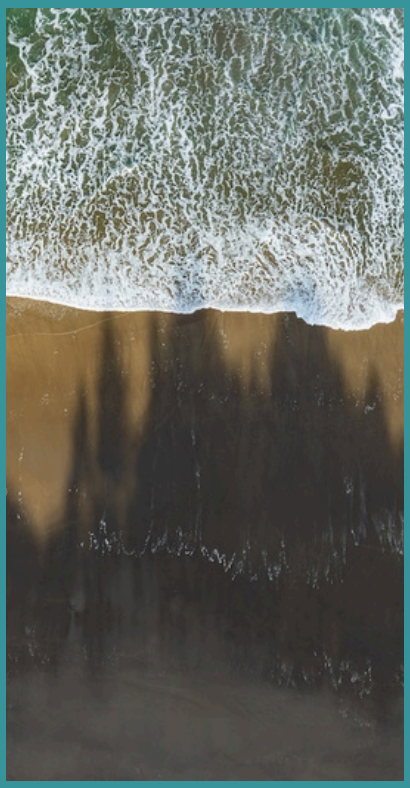

Revenue vs. expenses

Total revenue: $1,873,789

Total expenses: $1,773,758

Net Surplus: $91,506

Revenue exceeded expenses by $100,031. After other income and capital investments, the net surplus for 2025 was $91,506.

Thank You

To Our 2025 Donors

We extend our deepest gratitude to the **390 donors** who made our work possible in 2025. Your generosity has not only supported our programs but has also fostered a community spirit that empowers youth and enhances conservation efforts along the Oregon coast. Each contribution, no matter the size, has left a lasting impact on the lives of participants and the environment we cherish. Together, we are creating meaningful experiences that inspire stewardship and resilience in the next generation.
